August 28, 1953.

Special meeting of the Board of Trustees of The Iowa Great Lakes Sanitary District.

Special meeting called to, order by President Dyson at the Depot of The Milwaukee Railroad.

Present: H. B. Dyson
Gregerson
Fred K. Thomas.

Superintendent W.W. Bean presented a proposal from several roofing companys for recovering and flashing the roofs on the buildings at the dispoaal plant.

After discussing the proposals it was decided to meet with a represenative of the companies at the disposal plant at two o'clock of this same day, in order to go over the plans and specifiaations so a complete understanding could be arrived at.

It was moved by Mr Gregerson and seconded by Fred K. Thomas that the meeting be adjourned. All voting Aye.

H B Dyson
President.

Fred K Thomas
Clerk.
