

MINUTES OF SPECIAL MEETING, BOARD OF TRUSTEES,
THE IOWA GREAT LAKES SANITARY DISTRICT
NOVEMBER 4, 1953

Meeting called to order by President Dyson. Present, H. B. Dyson and Hemphill. Absent, Gregerson. Also present were C. D. Mullinex, Green Engineering Co., K. B. Welty, Walter Crowell, Don Reason and W. W. Bean.

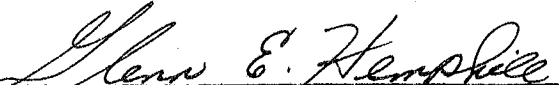

An explanation of the rate structure was given by Mr. Mullinex drawing a comparison between the present rate structure and one using a minimum charge of 90¢ per month for up to 2000 gallons of metered water, plus 17¢ per thousand gallons used in excess of 2000 gallons. A general discussion followed and it was unanimously decided that the later method would be more practical and more economical to administer. It was resolved to have Mr. Welty draft the necessary amendments to the ordinance to put this new rate structure into effect.

There being no further business the meeting was adjourned subject to the call of the president.

President, Board of Trustees
