

Minutes of the October Meeting of the Board of Trustees; Iowa Great Lakes Sanitary District.

October 5 1949 Bradys Billiard Parlors Milford Iowa.

Members present

- Hill---Chairman
- Croxson
- Brady

Chairman Hill brought attention to the meeting of the Green Engineering Co., of Cedar Rapids doing the Survey for the proposed extension of the Iowa Great Lakes Sewer Project.

It was suggested the Trustees keep themselves informed of the extent of the survey and give notice to the Conservation Commission of any portions of the Sanitary District were being omitted in the survey

Brady discussed the prospects of the Town of Milford attaching their sewer outlet to the disposal plant.

The Lakes and Streams Anti pollution Law was discussed as it related to the Town of Milford and the present method of the town disposing of sewage.

On motion by Brady---Meeting was adjourned

Signed JFH Chairman

Signed F. Croxson Trustee
