

November meeting---Board of Trustees

Iowa Great Lakes Sanitary Distrhct....Red's Cafe Spirit Lake

Meeting held Oct 20, 1950

Trustees present;
Hill----Chairman
Croxon
Brady

This meeting was held with the engineers of the Green Construction Company, Glen Powers, Chief Engineer of the Conservation Commission and Mr. Nelson, district Health Engineer. Green Engineering Company was represented by Engineers Mullinex and Ott.

Also present were; K. B. Welty, President of the Iowa Great Lakes Anti Pollution and Improvement League, F. K. Thomas Vice President, Ben B. Sanders, Board of Directors and E. W. Rogers, Field Secretary. Vinton Arnold of the Iowa Lakes News Service.

Mr. Mullenex explained the proposed sewer survey as to where it would be made and the date at which the survey would be complete.

Mr. Hill noted that certain portions of highly polluted lake shore had been ommitted. These sections being; An extension of a trunk line beyond the Methodist Camp on and through those sections of West Okoboji Lake shore known as; North Bay, Triboji Beach, Badgerow, and to include Vacation Villiage. Also the North Shore of Big Spirit Lake. Mr. Hill asked why this had been ommitted from the proposed survey.

Mr. Glen Powers of Conservation stated it was an oversight and it would be definitely included as the Conservation Commission were trying to eliminate pollution from any and all sources.

The Board of Trustees of the Iowa Great Lakes Sanitary District pledged their support in any way possible to aid in the survey. Mr. Mullenex and Mr. Ott being assured of full co-operation.

On Motion by Croxon--Meeting was adjourned.
