CHAPTER 9 - USE OF SEWERS REQUIRED

9.01 Unlawful Deposit
9.02 Unlawful Discharge
9.03 Unlawful Facilities For Disposal Of Sewage
9.04 Bypass Reporting
9.05 Sewage Connection Time Limit

9.01 UNLAWFUL DEPOSIT. It shall be unlawful for any person to place, deposit, or permit to be deposited in an unsanitary manner upon public or private property within the District or in any area under the jurisdiction of said District any human or animal excrement, garbage, or other objectionable waste.

9.02 UNLAWFUL DISCHARGE. It shall be unlawful to discharge to any natural outlet within the District or in any area under the jurisdiction of said District any sanitary sewage, industrial wastes, or other polluted waters, except where suitable treatment has been provided in accordance with provisions of this Ordinance.

9.03 UNLAWFUL FACILITIES FOR DISPOSAL OF SEWAGE. Except as hereinafter provided, it shall be unlawful to construct or maintain any privy, privy vault, septic tank, cesspool, or other facilities intended or used for the disposal of sewage within the jurisdiction of the Sanitary District.

9.04 BYPASS REPORTING. All publicly operated and maintained water pollution control works must report any bypass of their public sewer system to the Iowa Department of Natural Resources within the required times set by the Iowa Department of Natural Resources. The public entity with the bypass must also report the same to the Sanitary District, for their monthly reporting. Failure to report to the Iowa Department of Natural Resources and the Sanitary District is a violation of this ordinance and may result in a penalty in accordance with these ordinances and any penalty imposed on the Sanitary District by any regulatory agency related to the public entity's bypass not being reported.

9.05 SEWAGE CONNECTION TIME LIMIT. The owners of all houses, buildings, or properties used for human occupancy, employment, recreation, or other purposes, situated within the District and abutting on any street, alley or right-of-way in which a public sanitary sewer is now located or may in the future be located is hereby required at the owner's expense to install suitable toilet facilities therein, and to connect such facilities directly with the proper public sewer in accordance with the provisions of this ordinance within ninety (90) days after date of official notice to do so, provided that said public sanitary sewer is within one hundred and fifty feet (150') of the property line.
